Hobletts Manor News

Headteacher Message

A big thanks to all of you who took the time to complete our Autumn term survey. We had nearly 50 respondents which has ensured a broad selection of families have been able to give us feedback. The feedback was both overwhelming positive and incredibly constructive.

We looked at the results as a senior leadership team on Monday and identified broad themes under 'What is going well' and 'Suggestions for Improvement.' We then took these to the staff team on Tuesday and identified key actions. We have shared all the results and feed back with you on the second page of this newsletter. This feedback will be discussed at the next full governing body meeting in December.

Thanks again your feedback is so valuable!

Staying Safe, Staying Healthy!

Staying Safe Online - Talking Online

In assembly this week KS1 thought about staying safe online. We found out about Sammy the Squirrel who talked to someone online, Hettie the Hedgehog, who he thought was a new friend. However, it turned out not to be Hettie online and this made Sammy nervous. We talked about how to stay safe online and when it is appropriate to talk to someone else.

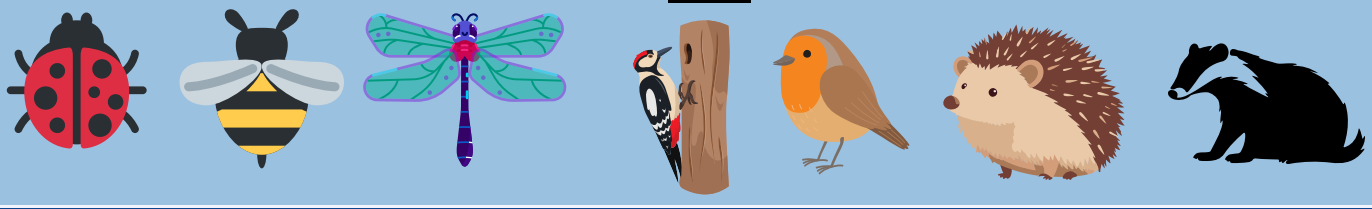

The children were fantastic and knew not to give away personal information and only to talk to people they knew. Since the assembly four children have approached me and told me that they now delete requests from unknown people! Do be vigilant to the people your children are talking to online and discuss the assembly with them.

Suggestions for Improvement & Actions

Blogs are sometimes inconsistent across the classes
We agree - in response we will:

- *Create 'Blog Guidelines' to ensure that the blogs are consistent content, shared information and frequency*

Communication is not always timely
We agree - in response we will:

- *We will share key dates and event timings at the beginning of each term for the whole term (where events are known and planned ahead.*
- *Streamline what we communicate and the platforms we use*
- *Reduce duplication and ensure information is shared quickly*

More diversity and enrichment in the curriculum
We agree - in response we will:

- *Ask subject leaders and year group teams to map enrichment into curriculum overviews including considering a range of visits and visitors.*
- *Look at how we seize opportunities to promote inclusion and diversity through both events and curriculum (for example ensuring that artists/musicians/authors we learn about are from a range of cultures / genders / abilities / heritage / socio-economic backgrounds)*

- There was a suggestion to put a gate between the year 1 and year 2 outside areas to avoid congestion in the morning - we love this idea and are going to put this as a project into our next budget!
- There were some fabulous fundraising ideas - please do contact 'FOHMS' by emailing the school office who will share your contact details with them.

Friends of Hobletts Manor Schools - FoHMS - Update

We have a fabulously active PTA who raise much needed funds for enrichment activities and resources. Here is an update from the Committee

Christmas Jumper Sale

This will take place on **Monday 1 December** after school in the LINK building, accessed by the path alongside the Junior School Car Park.

If you have any jumpers to donate, please drop them off at the office next week.

Easy Fundraising

You may have seen a banner outside the front gate with information about Easy Fundraising. This is a great way to raise money for the school while you shop - and it's free to use! Please sign up today by scanning the QR code by the front gate, or clicking the link on the right.

Quiz Night

Tickets for the FoHMS Quiz Night on the **4th December** will go on sale next week.

Please look out for more information coming soon.
